CONCRETE LE CONCRE

Lisbon & Online Program

As of Nov 10, never final

THE MAKING OF BEAUTIFUL BUSINESS

Concrete Love will comprise Acts and Actions. You can take part online, at our Lisbon gathering, and at local events around the world. In any case, you'll leave with new inspirations, new goals, new friends, and a plan.

ACTS

Friday, October 29 to Monday, November 1, 2021

ACTIONS

Monday, November 1 to Friday, November 26, 2021

Online

Progress is born in bold abstractions but experienced in the day-to-day. Concrete Love is the response to the innovations, forces, and burning questions that will define 2022 and everything thereafter.

Let's dream big—and build: new workplaces, new selves, new worlds.
Out: commitment issues. In: a real stability that frees you to be whoever you want.

Let's begin again. With concrete love.

JOIN US

Meet the visionaries, thinkers, and makers leading the shift from business-as-usual to business that is beautiful.

ACTIONS

The connections, collaborators, and coaching you need to make the change yours. Over four weeks—with a community assembly every Friday—we'll gather online to put it into practice.

Each week is devoted to a theme:

Decisions (clarity, poise, energy!)

It's complicated (conflicts, obstacles, tension, hesitation, ambivalence)

Coming together (the art of collaboration, connection, gathering)

Measure it to last (accountability, landing the plane, learning to love your metrics)

Every week begins with a Beauty Shot that introduces the week's critical questions and insights.

From Tuesday to Friday we'll run breakout conversations, masterclasses, lectures, and workshops. Plus, there'll be a not-so-secret channel for all kinds of secret activities. And all week, all day, you may join us on Clubhouse to share ideas, knowledge, or projects, or simply listen to music together and hang out.

The week concludes with How to Begin, a live Zoom gathering for the whole community, facilitated by coach and bestselling author Michael Bungay Stanier, that is exactly about that: how to begin.

At the culmination of ACTIONS, we will celebrate with a beautiful holiday party.

Week I: Decisions!

Every goal reached starts with a decision. And there are so many decisions to choose from. This first ACTIONS week we're discussing how to decide, when, when not to, and the impact of never-made decisions in organizations, relationships, and business.
