

Finding *The* *Dream*

HOUSE of BEAUTIFUL BUSINESS

How to get to *The___Dream*

It is true that Sintra's roads are more charming than convenient. Our recommendation? Embrace **shared transportation**. It's not only a greener choice that aligns with our [sustainability policy](#) but also a great opportunity to start networking even before reaching the venue.

Our **shuttle services** are all set to connect the towns of Sintra and Cascais with the festival grounds. In Sintra, look out for the **Sintra Central Line**, **Sintra Vila Galé Line**, and **Sintra Pestana Line**. From Cascais, hop onto the **Cascais Line**.

For those in Sintra:

- Chalet Saudade or Bliss Hotel guests, make your way to the Sintra Train Station on the Sintra Central Line.
- Hotel NH Sintra Centro guests, your stop is Sintra Volta do Duche on the same line.

Daytime services on the Sintra Central Line will have an added touch of charm, thanks to our electric tuk tuks! All other lines and schedules will feature buses and vans, all clearly marked with *The___Dream* signage.

For those in Cascais:

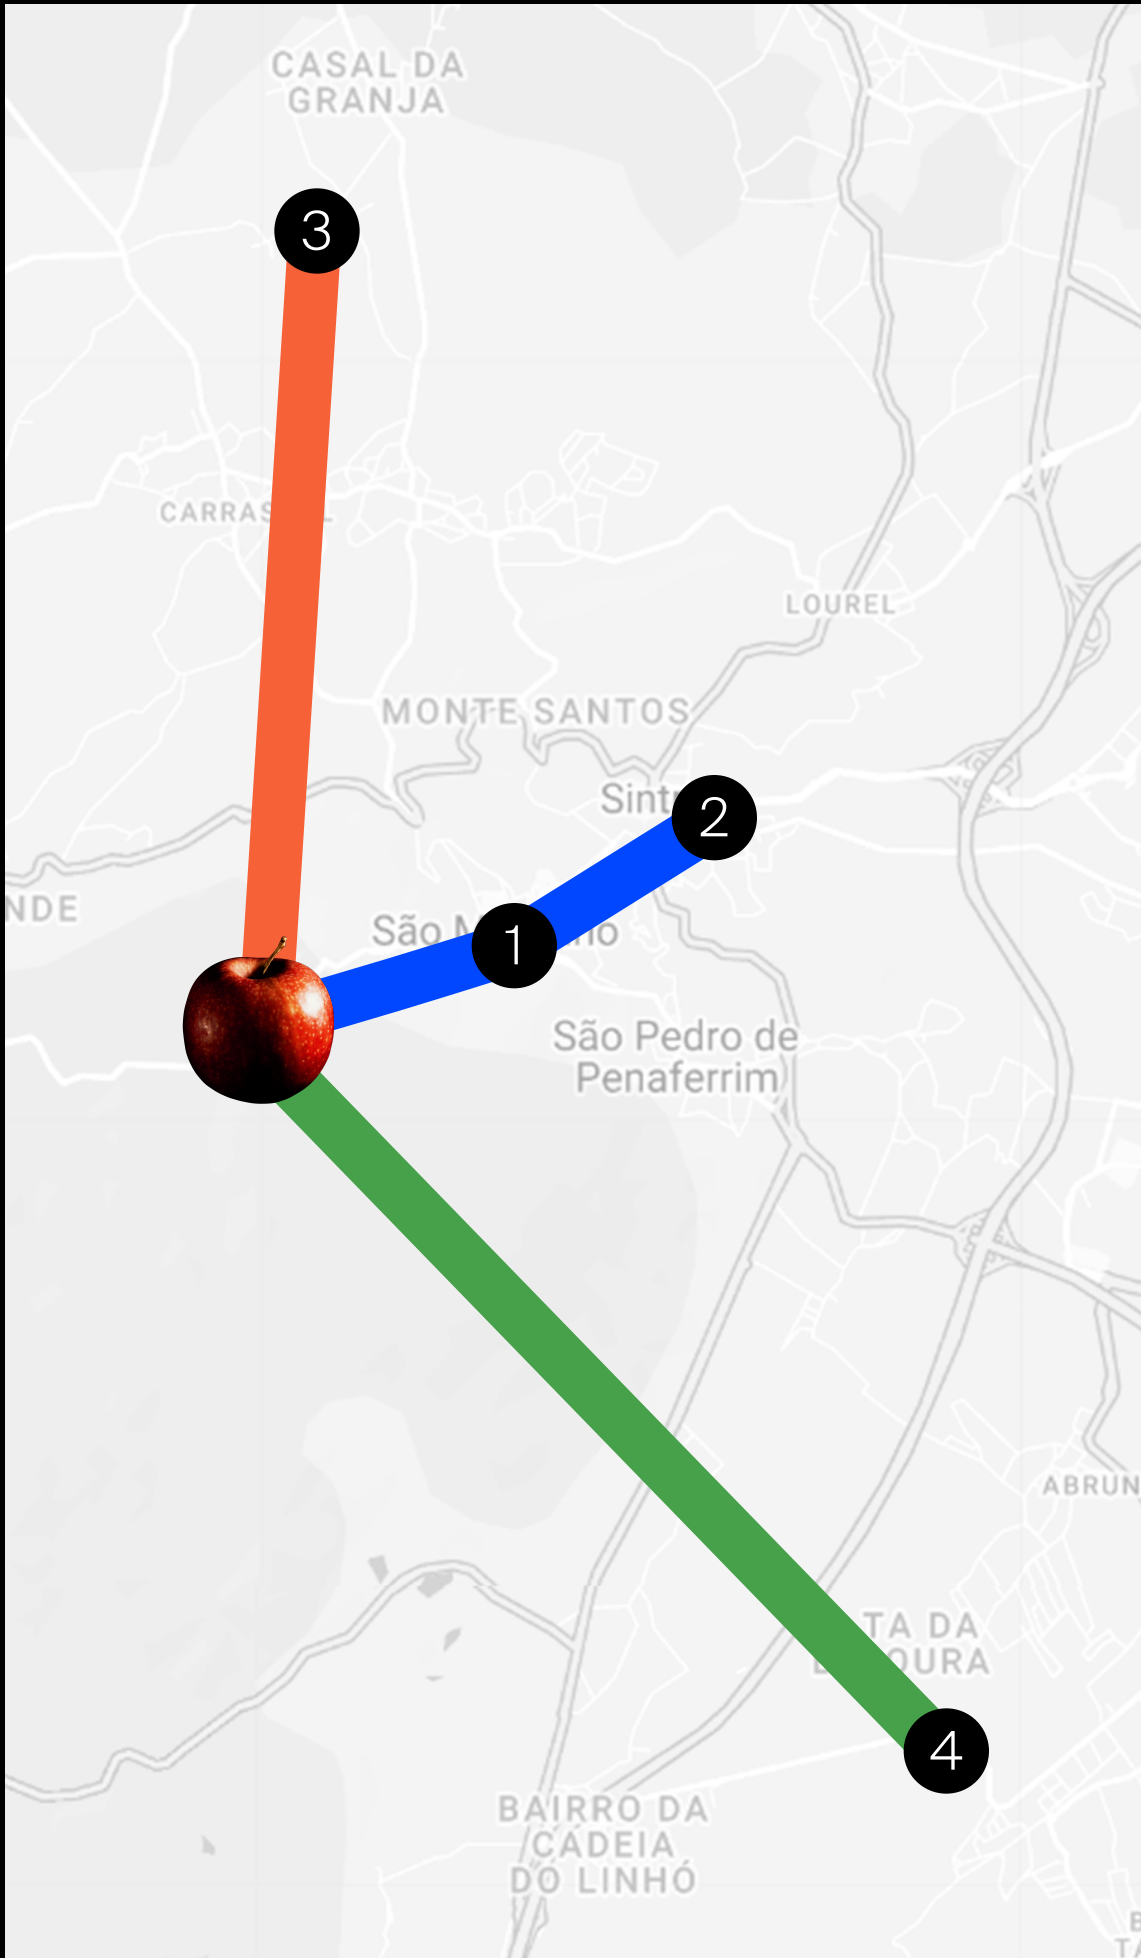

- Vila Galé Cascais or Eurostars Cascais guests, head to the Casa das Histórias on the Cascais Line.
- Albatroz Cascais guests, the Cascais Train Station stop on the same line is for you.

Staying somewhere else? Check [this Google map](#) to find the nearest shuttle stop.

Please plan to arrive early at your stop to avoid wait times, and do bear with us if traffic causes slight delays. Remember, the journey is part of the experience—enjoy the ride, the view, and the company.
